Re: Appeal against Decision on Complaint (Report Number: 392179-NCW)

Dear Civil Rights Division,

I am writing to respectfully appeal the decision of the Department of Justice, regarding my complaint (Report Number: 392179-NCW). While I appreciate the time and effort your team invested in reviewing my complaint, I firmly believe that further action is warranted in this matter. I understand the constraints and challenges faced by the Department in addressing the numerous reports it receives. However, I believe that my case presents unique and compelling circumstances that merit a more in-depth examination, not just from a legal standpoint but also from the perspective of responsible governance and fiscal responsibility particularly in light of the responsible stewardship of taxpayer funds and federal resources.

Thank you for your attention to this appeal. I am committed to pursuing justice in this matter and have faith in the Department of Justice's role in upholding and enforcing civil rights, while responsibly managing the resources entrusted to it by the American public. I look forward to your reconsidered decision.

Given the nature and gravity of the issues raised in my complaint, I request that the Department of Justice reconsider its decision and take the following specific actions to accommodate and enforce my civil rights. I understand the constraints and challenges faced by the Department in addressing the numerous reports it receives. However, I believe that my case presents unique and compelling circumstances that merit a more in-depth examination.

Thank you for your attention to this appeal. I am committed to pursuing justice in this matter and have faith in the Department of Justice's role in upholding and enforcing civil rights. I look forward to your reconsidered decision.

Best regards,

Subject: Response: Your Civil Rights Division Report - 392179-NCW from the Disability Rights Section

U.S. Department of Justice
Civil Rights Division

civilrights.justice.gov

Dear David Medeiros,

You contacted the Department of Justice on January 3, 2024. After careful review of what you submitted, we have decided not to take any further action on your complaint.

What we did:

Team members from the Civil Rights Division reviewed the information you submitted. Based on our review, we have decided not to take any further action on your complaint. We receive several thousand reports of civil rights violations each year. We unfortunately do not have the resources to take direct action for every report.

Your report number was 392179-NCW.

What you can do:

We are not determining that your report lacks merit. Your issue may still be actionable by others - your state bar association or local legal aid office may be able to help.

To find a local office:

American Bar Association

https://www.americanbar.org/groups/legal_services/flh-home

(800) 285-2221

Legal Services Corporation (or Legal Aid Offices)

<https://www.lsc.gov/find-legal-aid>

How you have helped:

While we don't have the capacity to take on each individual report, your report can help us find issues affecting multiple people or communities. It also helps us understand emerging trends and topics.

Thank you for taking the time to contact the Department of Justice about your concerns. We regret we are not able to provide more help on this matter.

Sincerely,

U.S. Department of Justice

Civil Rights Division
