Subject: Request for Provision of DSS Plan and Inclusion of Conservator in Meetings

Dear Amy,

I hope this message finds you well.

I am writing to address a concern that has come to our attention regarding our most recent meeting and communications. The conservator, an integral part of our team, was not included in the previous meeting. This absence has unfortunately resulted in a lapse in communication and understanding of the current status and plans.

Furthermore, we have yet to receive the DSS plan you referred to in our latest correspondence. This has led to some confusion, as your previous response seemed to suggest that such a plan was already in place and available for review.

We appreciate your diligent work and understand that oversights can occur, however, it is crucial for the transparency and success of our shared goals that these documents and updates are disseminated

promptly and inclusively. The conservator, along with all the members of our team, should be kept abreast of these developments.

In light of the above, we kindly request that you share the referred plan with us at your earliest convenience, ensuring a copy is also sent to ABI Resources. Additionally, we would appreciate it if you could confirm the meeting date that will include the conservator, so we can ensure full team participation.

Thank you for your attention to this matter. We believe that, moving forward, enhanced communication and transparency will significantly benefit our joint efforts and help us work together more effectively.

Looking forward to your prompt response.

All the best,
David Medeiros

1. I am not showing this agency, NeuroDiverse Consultant as a waiver provider in our Medicaid Management information system (MMIS). Are you aware if they go buy an alternate name?
2. Can you please provide specific examples and further elaborate of the conduct you are referring to for better understanding?

Subject: Urgent Request to Cease Activities Beyond Waiver Program Scope and Ensure Consumer Safety

Dear DSS and COU,

As an ABI Resources representative, I am writing to urgently express our concerns about NeuroDiverse Consulting, LLC, a service provider for the MFP and ABI Waiver programs. They have inappropriately pressured and directed our agency and staff to participate in activities outside the program scope, such as "off working hour" non-billable research, trainings, and non-working hour communications with consumers. This is consistent for each team we mutually serve.

Problematic actions include:

Directing staff to deliver waiver services without consumer presence.

Instructing staff to provide waiver services while consumers are unsupervised in their communities for undefined periods.

Insisting on "non-working hour" team research and trainings without consumer involvement conducted by NeuroDiverse Consulting LLC.

Conducting Medicaid Waiver meetings without consumer participation.

Communicating with consumers when not working.

These practices risk significant liabilities for DSS, DMHAS, Care Management, and ABI Resources and jeopardize consumer safety and person-centered care quality.

ABI Resources is committed to providing legally compliant training programs for our staff and adhering to established guidelines. We respectfully request DSS and COU to intervene and instruct NeuroDiverse Consulting to immediately cease activities exceeding the waiver program scope. Our staff's role is limited to providing non-medical and non-therapeutic support services, and we are dedicated to working closely with consumers and their support networks.

We seek your assistance in addressing these issues and ensuring adherence to waiver guidelines for consumer support, allowing us to provide exceptional care collectively.

Thank you for your prompt attention. We look forward to working together to find a constructive solution to resolve these concerns.

All the best,
David Medeiros

Dear CT DSS and COU,

As a provider of waiver services for the Money Follows the Person (MFP) and Acquired Brain Injury (ABI) programs, ABI resources is reaching out to request information regarding the steps consumers must take to officially change their care managers. Your guidance in this matter would be greatly appreciated, as we aim to have a clear understanding of the process.

To help us have a comprehensive understanding of the procedures involved, kindly provide details on the following aspects:

The necessary forms or paperwork to be completed by the consumers, if any.

The appropriate channels or points of contact for consumers to submit the required documentation.

The expected timeframe for processing the change request and the potential impact, if any, on the clients' current services.

Any additional steps or considerations that consumers should be aware of during this process to ensure a seamless transition.

We appreciate your support in providing this information, as it will allow us to better understand the process and ensure that our practices align with the proper procedures. If possible, please provide any resources or guidance materials that could be helpful in understanding and completing the process.

Thank you in advance for your assistance. I look forward to receiving your response and any additional information you can provide.

Sincerely,
ABI Resources

05/23/2023

Hello Amy and Department of Social Services (DSS) COU.

I am writing this letter to formally bring to your attention a matter of grave concern, which pertains to the activities of the ABI Waiver Program behavioral service provider, CCSNCT, with regards to Medicaid Acquired Brain Injury (ABI) Waiver consumers referrals and solicitation.

CCSNCT, in their capacity as a Medicaid ABI Waiver service provider, is involved in a concerning practice of actively referring, promoting and encouraging ABI Waiver consumers to register for events and services organized by Project Genesis, an entirely separate entity. These solicitations have included adding Project Genesis events to consumer calendars and communication logs, and verbal endorsements of their services during Medicaid Waiver Team meetings as well as directly with consumers.

This practice violates the established norms and principles of professional conduct and integrity. It unfairly influences the choices of ABI Waiver consumers who rely on CCSNCT for their caregiving needs, and creates an undue burden on these individuals to participate in services or events they may not have otherwise chosen or needed.

Given the sensitive nature of the services offered and the vulnerability of the consumers under the Medicaid ABI Waiver, such behavior by CCSNCT is highly inappropriate. It can potentially lead to a conflict of interest, and adversely affect the consumers' ability to make fully informed decisions regarding their care and participation in various events or services.

In light of these concerns, ABI Resources respectfully request immediate attention and intervention from the Department of Social Services. The promotion of Project Genesis by CCSNCT to Medicaid ABI Waiver consumers should cease forthwith to ensure the preservation of the consumers' rights, as well as to maintain the ethical standards that service providers are expected to uphold.

Thank you in advance for your attention to this matter. I have full faith that the Department will take appropriate action to rectify this situation.

Will DSS provide detailed information on the specific steps the department plans to take in rectifying the ongoing issue of unauthorized solicitation and steering by CCSNCT towards ABI Waiver consumers for Project Genesis.

Your prompt response is highly appreciated.

All the best,
David Medeiros
