

marketing. These additional expenses are necessary to communicate our commitment to ethical practices and quality care to the community.

Legal and Consultation Fees:

Addressing these unethical practices and exploring legal avenues for recourse has led to increased spending on legal consultations and related services. These expenditures are essential for navigating the complexities of the situation and seeking justice, but they also divert resources from other operational areas.

Consumer Relationship Erosion:

Loss of Trust and Business:

The most profound impact has been on our established Consumer relationships. The manipulative practices of the agency in question have led to a loss of trust among our consumers, as they are steered away from ABI Resources. This erosion of trust is deeply concerning, as it undermines the long-standing relationships we have built based on care, integrity, and ethical service provision.

Reputation Damage:

The wider implications of these practices in the industry have led to a tarnished reputation, not just for the agency in question, but for service providers in general, including ABI Resources. Restoring our reputation in the wake of these events is a significant challenge, requiring substantial effort and resources.

The cumulative effect of these impacts on ABI Resources is profound, affecting not just our financial stability but also our reputation and, most importantly, our ability to serve our consumers effectively. It is imperative that these issues are addressed comprehensively to restore the integrity of service provision within the

ABI Waiver Program and to protect agencies like ours that are committed to ethical practices.

Formal Requests Thorough Examination and Compliance Review:

Comprehensive Investigation:

We formally request a complete and thorough examination of the outlined practices. This investigation should encompass all entities involved, including the agency service provider and care management consultants.

Medicaid Compliance Review:

A detailed review of Medicaid compliance is crucial to determine if these practices violate Medicaid regulations and standards.

Review and Revision of Policies and Oversight:

Policy Overhaul:

A comprehensive review and subsequent revision of existing policies within the ABI Waiver Program is necessary. This review should focus on closing loopholes that allow for such unethical practices and ensuring robust safeguards against future violations.

Enhanced Oversight Mechanisms:

We propose the establishment or enhancement of oversight mechanisms within the ABI Waiver Program to ensure ongoing compliance with ethical and legal standards.

In Closing:

The concerns we have raised in this document, if validated, point towards serious ethical lapses and potential legal infractions concerning Medicaid regulations. The very foundation of the ABI Waiver program, along with the trust placed in it by its beneficiaries, relies on prompt, effective, and transparent action from the Connecticut Department of Social Services.

We appreciate your attention to this urgent and significant matter and hope for a swift resolution that upholds the principles of justice and integrity.

Call to Action:

I earnestly seek your prompt intervention and advocacy in ensuring this grievance is communicated to all pertinent departments within the state of Connecticut tasked with addressing such critical matters. The departments that ought to be immediately apprised of this situation include, but are not limited to:

Connecticut Department of Social Services

Connecticut Attorney General's Office

Connecticut Commission on Human Rights and Opportunities

Connecticut Office of the Healthcare Advocate

Connecticut Office of Policy and Management

I have proactively initiated complaints and have directly engaged with the Connecticut Department of Social Services. Rest assured, all communications

have been meticulously documented, encompassing dates, times, and the identities of the individuals engaged in these discussions.

We urge the Connecticut Department of Social Services, alongside the Attorney General's Office, the Commission on Human Rights and Opportunities, the Office of the Healthcare Advocate, and the Office of Policy and Management, to address this grievance promptly. The issue at hand not only affects ABI Resources but also speaks to the larger matter of public trust and the accessibility of crucial healthcare information.

We anticipate a constructive and swift response to this urgent matter, underscoring the importance of transparency and accessibility in public services, especially those catering to vulnerable populations.

I place my trust in your unwavering commitment to justice and fairness, confident that you will accord this matter the urgency and gravitas it demands, ensuring a comprehensive investigation and the implementation of corrective measures. The equitable treatment of all service providers operating under the Connecticut Medicaid ABI Waiver Program is of utmost importance, and I am optimistic that your intervention will usher in a just resolution.

I am grateful for your time and thoughtful consideration of this crucial matter.

Best regards,
David Medeiros

PIU - Agency.pdf;

Thank you Marihonor,

I hope this email finds you well. I am reaching out to inquire about the ACR Provider List and our listing on it. I noticed that several agencies are listed 3 to 4 times with the same information, and I was wondering if ABI Resources may do the same? Would ACR please list ABI Resources on the ACR Provider List in the same manner as other agencies listed 3 to 4 times with the same information?

What is the process for being listed at the top of the ACR Provider List and how may ABI Resources ensure that we are consistently listed at the top of the list?

As a reputable agency, we would like to ensure that our services are easily accessible to those seeking care, and being listed at the top of the provider list would help us achieve this goal. Therefore, I would appreciate any information you can provide on how this process works and what we can do to be listed at the top consistently.

Additionally, the ACR PIU document provided does not show areas and locations, which raises the concern that ABI Resources may not be listed for all areas. Therefore, I would like to ensure that we are listed for all areas to better serve our clients.

Furthermore, the ACR PIU document provided does not show service types, including PCA services. As ABI Resources offers a wide range of services, I would like to ensure that we are listed for all services, including PCA services, to make it easier for our clients to find us and access the care they need.

Lastly, we would like to inquire about the accessibility of the ACR Provider List to the public and what steps consumers need to take to access the list?

As a provider of services, we would like to ensure that our clients and potential clients can easily access the list to find the services they need. Therefore, I would appreciate it if you could provide information on the accessibility of the list and any steps that consumers need to take to access it.

Would it be possible for you to provide us with the link to the public ACR Provider List, so we may share it with our clients and make it easier for them to access?

Please let me know if there are any steps we need to take to update our listing or if you require any additional information from us.

Thank you for your time and consideration.

All the best,
David Medeiros

Subject: Re: Request for Documentation to Update and Confirm Information on Provider Registries unsecure

Thank you Marihonor,

I hope this email finds you well. I am reaching out to inquire about the ACR Provider List and our listing on it. I noticed that several agencies are listed 3 to 4 times with the same information, and I was wondering if ABI Resources may do the same? Would ACR please list ABI Resources on the ACR Provider List in the same manner as other agencies listed 3 to 4 times with the same information? **The directory is produced by program. ABI Resources participates in the ABI Program and appears on that directory only.**

What is the process for being listed at the top of the ACR Provider List and how may ABI Resources ensure that we are consistently listed at the top of the list? **The directory is sorted by alphabetical order.**

As a reputable agency, we would like to ensure that our services are easily accessible to those seeking care, and being listed at the top of the provider list would help us achieve this goal. Therefore, I would appreciate any information you can provide on how this process works and what we can do to be listed at the top consistently. **The directory is sorted by alphabetical order**

Additionally, the ACR PIU document provided does not show areas and locations, which raises the concern that ABI Resources may not be listed for all areas. Therefore, I would like to ensure that we are listed for all areas to better serve our clients. **ABI Resources is listed for statewide services as indicated on the directory page I sent you on Friday.**

Furthermore, the ACR PIU document provided does not show service types, including PCA services. As ABI Resources offers a wide range of services, I would like to ensure that we are listed for all services, including PCA services, to make it easier for our clients to find us and access the care they need. **We have you in our system for the ABI Program only. If you wish to add the PCA Program, please send in current copies of your insurance certificates (liability, WC, theft) and your DCP. We will process your request and send you the letter you will need to enroll for PCA Waiver billing.**

Lastly, we would like to inquire about the accessibility of the ACR Provider List to the public and what steps consumers need to take to access the list? **Per DSS directive, the directory is not for public view. It is for program participants/ reps and DSS care managers**

As a provider of services, we would like to ensure that our clients and potential clients can easily access the list to find the services they need. Therefore, I would appreciate it if you could provide information on the accessibility of the list and any steps that consumers need to take to access it. **It is not for public view**

Would it be possible for you to provide us with the link to the public ACR Provider List, so we may share it with our clients and make it easier for them to access? **There is no link to the Provider Directory that Allied produces and maintains**

Please let me know if there are any steps we need to take to update our listing or if you require any additional information from us.

Thank you for your time and consideration.

All the best,
David Medeiros

Dear COU/CT DSS Recipients,

I hope this email finds you well. I am writing to inquire about a discrepancy in the correspondence I have been receiving from the COU/CT DSS.

On 3/10/2023, I received an email from ACR containing certain information that is crucial for ABI Resources to provide effective services to our clients and ensure the community has complete access to our services. However, I have not been receiving any correspondence from the COU/CT DSS regarding this matter. This has raised concerns about the accuracy and reliability of the information provided.

In light of this, I would like to kindly request your assistance in verifying the accuracy of the information provided by ACR in the email below:

[Again, Included within this email thread is the ACR email in reference]

Please confirm the accuracy of this information. If you find any inaccuracies or outdated information, kindly inform us and provide the correct details.

Additionally, I would appreciate it if you could look into the issue of why I have not been receiving correspondence from the COU/CT DSS on this subject, and advise on any necessary steps to rectify the situation.

Your assistance in ensuring that our organization has access to accurate and up-to-date information is greatly appreciated. Please let us know if there are any further steps we need to take in order to obtain this verification.

Thank you for your time and attention to this matter. I look forward to your prompt response.

All the best,
David Medeiros
