Subject: Re: Request for Documentation to Update and Confirm Information on Provider Registries unsecure

Thank you Marihonor,

I hope this email finds you well. I am reaching out to inquire about the ACR Provider List and our listing on it. I noticed that several agencies are listed 3 to 4 times with the same information, and I was wondering if ABI Resources may do the same? Would ACR please list ABI Resources on the ACR Provider List in the same manner as other agencies listed 3 to 4 times with the same information? **The directory is produced by program. ABI Resources participates in the ABI Program and appears on that directory only.**

What is the process for being listed at the top of the ACR Provider List and how may ABI Resources ensure that we are consistently listed at the top of the list? **The directory is sorted by alphabetical order.**

As a reputable agency, we would like to ensure that our services are easily accessible to those seeking care, and being listed at the top of the provider list would help us achieve this goal. Therefore, I would appreciate any information you can provide on how this process works and what we can do to be listed at the top consistently. **The directory is sorted by alphabetical order**

Additionally, the ACR PIU document provided does not show areas and locations, which raises the concern that ABI Resources may not be listed for all areas. Therefore, I would like to ensure that we are

listed for all areas to better serve our clients. **ABI Resources is listed for statewide services as indicated on the directory page I sent you on Friday.**

Furthermore, the ACR PIU document provided does not show service types, including PCA services. As ABI Resources offers a wide range of services, I would like to ensure that we are listed for all services, including PCA services, to make it easier for our clients to find us and access the care they need. **We have you in our system for the ABI Program only. If you wish to add the PCA Program, please send in current copies of your insurance certificates (liability, WC, theft) and your DCP. We will process your request and send you the letter you will need to enroll for PCA Waiver billing.**

Lastly, we would like to inquire about the accessibility of the ACR Provider List to the public and what steps consumers need to take to access the list? **Per DSS directive, the directory is not for public view. It is for program participants/ reps and DSS care managers**

As a provider of services, we would like to ensure that our clients and potential clients can easily access the list to find the services they need. Therefore, I would appreciate it if you could provide information on the accessibility of the list and any steps that consumers need to take to access it. **It is not for public view**

Would it be possible for you to provide us with the link to the public ACR Provider List, so we may share it with our clients and make it easier for them to access? **There is no link to the Provider Directory that Allied produces and maintains**

Please let me know if there are any steps we need to take to update our listing or if you require any additional information from us.

Thank you for your time and consideration.

All the best,
David Medeiros

Therefore, I would appreciate any information you can provide on how this process works and what we can do to be listed at the top consistently. **The directory is sorted by alphabetical order**

Additionally, the ACR PIU document provided does not show areas and locations, which raises the concern that ABI Resources may not be listed for all areas. Therefore, I would like to ensure that we are

listed for all areas to better serve our clients. **ABI Resources is listed for statewide services as indicated on the directory page I sent you on Friday.**

Furthermore, the ACR PIU document provided does not show service types, including PCA services. As ABI Resources offers a wide range of services, I would like to ensure that we are listed for all services, including PCA services, to make it easier for our clients to find us and access the care they need. **We have you in our system for the ABI Program only. If you wish to add the PCA Program, please send in current copies of your insurance certificates (liability, WC, theft) and your DCP. We will process your request and send you the letter you will need to enroll for PCA Waiver billing.**

Lastly, we would like to inquire about the accessibility of the ACR Provider List to the public and what steps consumers need to take to access the list? **Per DSS directive, the directory is not for public view. It is for program participants/ reps and DSS care managers**

As a provider of services, we would like to ensure that our clients and potential clients can easily access the list to find the services they need. Therefore, I would appreciate it if you could provide information on the accessibility of the list and any steps that consumers need to take to access it. **It is not for public view**

Would it be possible for you to provide us with the link to the public ACR Provider List, so we may share it with our clients and make it easier for them to access? **There is no link to the Provider Directory that Allied produces and maintains**

Please let me know if there are any steps we need to take to update our listing or if you require any additional information from us.

Thank you for your time and consideration.

All the best,
David Medeiros

Your description of events

David Medeiros and ABI Resources LLC have reported facing discriminatory business practices in the context of the Connecticut Medicaid Acquired Brain Injury (ABI) Waiver Program. Specifically, the grievances include:

Inequitable Medicaid Referrals: ABI Resources LLC has experienced marginalization and an unfair distribution of Medicaid referrals, resulting in a noticeable decrease compared to other providers. This suggests a biased distribution system that disadvantages both the organization and its clients.

Lack of Engagement and Rectification by Authorities: Despite multiple efforts by David Medeiros to engage in constructive dialogue with the Connecticut Department of Social Services regarding these discriminatory practices, there has been a significant lack of engagement and rectification from the department. This lack of response has negatively impacted the operations of ABI Resources and the well-being and quality of service accessible to the disabled individuals they serve.

The report by David Medeiros and ABI Resources LLC indicates a call for action to address these discriminatory practices and implement a fairer and more transparent system for Medicaid referrals within the ABI Waiver Program.

11/19/2023 Subject: Freedom of Information Act Request – Cognitive Behavioral Services Behavior Analysts in Medicaid ABI Waiver Program 1 (Exclusively) Dear FOIA Officer, I am submitting a request under the Freedom of Information Act (5 U.S.C. § 552) to obtain records specifically related to Cognitive Behavioral Services and the integration of Behavior Analysts under the Medicaid Acquired Brain Injury (ABI) Waiver Program 1. This request is exclusively for information related to Waiver Program 1 and should not include information pertaining to Waiver Program 2 or any other programs.

Specific Records Requested: Integration and Approval Records (Waiver 1 Only): Documents confirming the approval for the inclusion of Behavior Analysts in providing Cognitive Behavioral Services under Medicaid ABI Waiver Program 1. State or federal records indicating when this integration was officially approved and implemented in Waiver Program 1. Operational and Implementation Records (Waiver 1 Only): Records detailing the initiation and operational framework for Behavior Analysts providing Cognitive Behavioral Services under Waiver Program 1. Agreements, protocols, or guidelines specifically related to the role of Behavior Analysts in Waiver Program 1. Financial Records (Waiver 1 Only): Detailed financial statements or invoices showing payments made to Behavior Analysts for providing Cognitive Behavioral Services under Waiver Program 1. Audit reports or financial analyses pertaining exclusively to the expenditure on Cognitive Behavioral Services in Waiver Program 1. Recorded Time Frame (Waiver 1 Only): This request encompasses the period from the integration of Behavior Analysts in providing Cognitive Behavioral Services under Waiver Program 1 up to the current date. Explicit Exclusion of Waiver Program 2: To emphasize, this request is strictly for information regarding Waiver Program 1. I assert that the requested information is not protected from disclosure under the Connecticut FOIA, as it is

essential for public understanding and does not fall under privileged or confidential categories. In case any part of the requested documents is exempt from disclosure, I request a detailed written justification for each exemption, citing the relevant statutory exemption, and ask for only the exempted portions to be redacted, keeping the rest of the document intact. In the event of a partial or complete denial of my request, I seek a written explanation, specifying the exact statutory exemptions that justify the denial. For accessibility reasons due to my disability, I request the provision of electronic records. Your assistance in this matter is highly appreciated. Request for FOIA Officer's Contact Information: For effective accommodation communications, I respectfully request the name and title of the specific FOIA officer handling this request. This will facilitate any necessary follow-up communication regarding this FOIA request. Please include this information in your response to this request, rather than through a separate communication. PIU - Agency.pdf;

Thank you Marihonor,

I hope this email finds you well. I am reaching out to inquire about the ACR Provider List and our listing on it. I noticed that several agencies are listed 3 to 4 times with the same information, and I was wondering if ABI Resources may do the same? Would ACR please list ABI Resources on the ACR Provider List in the same manner as other agencies listed 3 to 4 times with the same information?

What is the process for being listed at the top of the ACR Provider List and how may ABI Resources ensure that we are consistently listed at the top of the list?

As a reputable agency, we would like to ensure that our services are easily accessible to those seeking care, and being listed at the top of the provider list would help us achieve this goal. Therefore, I would appreciate any information you can provide on how this process works and what we can do to be listed at the top consistently.

Additionally, the ACR PIU document provided does not show areas and locations, which raises the concern that ABI Resources may not be listed for all areas. Therefore, I would like to ensure that we are listed for all areas to better serve our clients.

Furthermore, the ACR PIU document provided does not show service types, including PCA services. As ABI Resources offers a wide range of services, I would like to ensure that we are listed for all services, including PCA services, to make it easier for our clients to find us and access the care they need.

Lastly, we would like to inquire about the accessibility of the ACR Provider List to the public and what steps consumers need to take to access the list?

As a provider of services, we would like to ensure that our clients and potential clients can easily access the list to find the services they need. Therefore, I would appreciate it if you could provide information on the accessibility of the list and any steps that consumers need to take to access it.

Would it be possible for you to provide us with the link to the public ACR Provider List, so we may share it with our clients and make it easier for them to access?

Please let me know if there are any steps we need to take to update our listing or if you require any additional information from us.

Thank you for your time and consideration.

All the best,
David Medeiros

Subject: Re: Request for Documentation to Update and Confirm Information on Provider Registries unsecure

Thank you Marihonor,

I hope this email finds you well. I am reaching out to inquire about the ACR Provider List and our listing on it. I noticed that several agencies are listed 3 to 4 times with the same information, and I was wondering if ABI Resources may do the same? Would ACR please list ABI Resources on the ACR Provider List in the same manner as other agencies listed 3 to 4 times with the same information? **The directory is produced by program. ABI Resources participates in the ABI Program and appears on that directory only.**

What is the process for being listed at the top of the ACR Provider List and how may ABI Resources ensure that we are consistently listed at the top of the list? **The directory is sorted by alphabetical order.**

As a reputable agency, we would like to ensure that our services are easily accessible to those seeking care, and being listed at the top of the provider list would help us achieve this goal. Therefore, I would appreciate any information you can provide on how this process works and what we can do to be listed at the top consistently. **The directory is sorted by alphabetical order**

Additionally, the ACR PIU document provided does not show areas and locations, which raises the concern that ABI Resources may not be listed for all areas. Therefore, I would like to ensure that we are listed for all areas to better serve our clients. **ABI Resources is listed for statewide services as indicated on the directory page I sent you on Friday.**

Furthermore, the ACR PIU document provided does not show service types, including PCA services. As ABI Resources offers a wide range of services, I would like to ensure that we are listed for all services, including PCA services, to make it easier for our clients to find us and access the care they need. **We have you in our system for the ABI Program only. If you wish to add the PCA Program, please send in current copies of your insurance certificates (liability, WC, theft) and your DCP. We will process your request and send you the letter you will need to enroll for PCA Waiver billing.**

Lastly, we would like to inquire about the accessibility of the ACR Provider List to the public and what steps consumers need to take to access the list? **Per DSS directive, the directory is not for public view. It is for program participants/ reps and DSS care managers**

As a provider of services, we would like to ensure that our clients and potential clients can easily access the list to find the services they need. Therefore, I would appreciate it if you could provide information on the accessibility of the list and any steps that consumers need to take to access it. **It is not for public view**

Would it be possible for you to provide us with the link to the public ACR Provider List, so we may share it with our clients and make it easier for them to access? **There is no link to the Provider Directory that Allied produces and maintains**

Please let me know if there are any steps we need to take to update our listing or if you require any additional information from us.

Thank you for your time and consideration.

All the best,
David Medeiros

Subject: Re: Request for Documentation to Update and Confirm Information on Provider Registries unsecure

Thank you Marihonor,

I hope this email finds you well. I am reaching out to inquire about the ACR Provider List and our listing on it. I noticed that several agencies are listed 3 to 4 times with the same information, and I was wondering if ABI Resources may do the same? Would ACR please list ABI Resources on the ACR Provider List in the same manner as other agencies listed 3 to 4 times with the same information? **The directory is produced by program. ABI Resources participates in the ABI Program and appears on that directory only.**

What is the process for being listed at the top of the ACR Provider List and how may ABI Resources ensure that we are consistently listed at the top of the list? **The directory is sorted by alphabetical order.**

As a reputable agency, we would like to ensure that our services are easily accessible to those seeking care, and being listed at the top of the provider list would help us achieve this goal. Therefore, I would appreciate any information you can provide on how this process works and what we can do to be listed at the top consistently. **The directory is sorted by alphabetical order**

Additionally, the ACR PIU document provided does not show areas and locations, which raises the concern that ABI Resources may not be listed for all areas. Therefore, I would like to ensure that we are listed for all areas to better serve our clients. **ABI Resources is listed for statewide services as indicated on the directory page I sent you on Friday.**

Furthermore, the ACR PIU document provided does not show service types, including PCA services. As ABI Resources offers a wide range of services, I would like to ensure that we are listed for all services, including PCA services, to make it easier for our clients to find us and access the care they need. **We have you in our system for the ABI Program only. If you wish to add the PCA Program, please send in current copies of your insurance certificates (liability, WC, theft) and your DCP. We will process your request and send you the letter you will need to enroll for PCA Waiver billing.**

Lastly, we would like to inquire about the accessibility of the ACR Provider List to the public and what steps consumers need to take to access the list? **Per DSS directive, the directory is not for public view. It is for program participants/ reps and DSS care managers**

As a provider of services, we would like to ensure that our clients and potential clients can easily access the list to find the services they need. Therefore, I would appreciate it if you could provide information on the accessibility of the list and any steps that consumers need to take to access it. **It is not for public view**

Would it be possible for you to provide us with the link to the public ACR Provider List, so we may share it with our clients and make it easier for them to access? **There is no link to the Provider Directory that Allied produces and maintains**

Please let me know if there are any steps we need to take to update our listing or if you require any additional information from us.

Thank you for your time and consideration.

All the best,
David Medeiros
