EXHIBIT EXCERPT - this cover page was added by the archive. It is not part of the original record.

Record: the attachment "GTI Provider Directory.ABI.pdf" (375 pages) to the email from the Connecticut Department of Social Services FOIA office (FOIA.DSS@ct.gov), sent November 10, 2026 at 13:44:15 UTC (8:44 AM Eastern).

Email subject: RE: Follow-up: CT FOI request of February 27, 2026 - DSS Medicaid ABI Waiver Provider Master List - no records received

Full original file: 1,952,009 bytes. SHA-256: 40f771dc6248b04418e3d71a035d4274294121754f8b112d52bdc1a87fdcfa5a

This excerpt: original PDF pages 1, 20 and 21 only - the directory header and the complete ABI Resources LLC entry ("9 of 158"). Page order is unchanged.

Withheld on original page 21: one email address, the GTI number and the AVRS provider number (true redaction - the text was removed, not covered). No other content was changed. File metadata was removed.

About the record: DSS wrote that this information is public on GT Independence's online provider directory, that the two attachments were filtered to ABI I and II, exported and saved as files, and that the directory "may not reflect recent changes within the last month." DSS also wrote: "The Department considers this request to have been fulfilled."

What this record does not show: past enrollment status (the files list current entries only); whether or when the 2019 new-client suspension ended; any payment or claim decision; or any finding about the dispute. The 2028 date is a stated expiration date, not proof of status on any later day.

Independent public-records archive. Not a government site. Verify independently. A filing is not a finding.
