Re: Freedom of Information Request OPM ID # 24-86

Dear Mr. Medeiros:

This office is in receipt of your Freedom of Information requests, dated November 4, 2024, and received via U.S. Mail on November 12, 2024. OPM can only respond to Freedom of Information Requests for records in its possession and control. OPM is not the repository or custodian of records for all state agencies. Further, OPM is not required by the Connecticut Freedom of Information Act to contact other Federal or State agencies or branches of government to obtain responsive records for you.

Our agency located documents partially responsive to the inquiry in your request letter:

- Medicaid Program Amendments and Policy Modifications - Records of amendments to the ABI Waiver Program-and other Medicaid waivers managed by Connecticut DSS in consultation with Accenture and Manatt, as reviewed by federal agencies (CMS, HHS).

Your request yielded 6 pages of responsive documents, at a cost of $0.25 cents per page for a total cost of $1.50 for copying/scanning charges. The charge for copies is being waved, for this request only, as OPM has previously provided you with these documents in response to FOI OPM ID # 24-81 and OPM ID # 24-84.

For all other inquiries in your Freedom of Information request OPM ID #24-86, OPM does not have any responsive documents.

In addition, please note that our agency withheld some documents as exempt from disclosure pursuant to Connecticut General Statutes §§ 1-210(b)(1) and/or 1-210(e)(1).

Accordingly, we are closing our file on this request.

Very truly yours,
