Re: Health Resources and Services Administration (HRSA) Freedom of Information Act (FOIA) Request Case Number 25F209 – Re-routing Misdirected Request

Dear David Medeiros:

HRSA's Freedom of Information Act Office (FOIA) searched for records and determined that the Centers for Medicaid & Medicare Services (CMS) should process the ADA/Medicaid Oversight section, and the Office of the Inspector General (OIG) should process the Whistleblower Protection section. Therefore, following 45 C.F.R. § 5.25(a)[1], we routed your request to the Centers for Medicaid & Medicare Services (CMS) and the Office of the Inspector General (OIG) to log and process.

You do not have to contact the Centers for Medicaid & Medicare Services (CMS) and the Office of the Inspector General (OIG) at this time, but should you need to do so in the future, their contact information is as follows:
